Dear Parents,

Second Term Newsletter – 2020/2021 Session

We thank God for the successful completion of the second term. We thank you parents for your encouragement and support to us and the pupils. God will surely bless our hard work.

We specially thank you parents for your co-operation with the school with regards to adherence to rules and guidelines to ensure the safety of our staff and pupils against the pandemic. We are proud of you.

However, there are a number of things we must improve and work on. These are:

Punctuality

It has been observed that some of our pupils come to school as late as **8.30am – 9.00am** or even much later. This will surely affect the child's first period of lessons. Please, let us inculcate punctuality consciousness early in our children.

School Fees

While most of our parents make conscious effort to pay their children's fees on time. A good number relax and continuously come up with appeals. This extension of time affects the running of the school because the cost of materials and services have gone high. For this reason, we have decided that children who have not completed this term's and even previous term's fees will not be allowed to resume in the new term.

Pupils who will resume in the new term must show evidence of having paid **fifty percent (50%)** of the total fee before they will be allowed in. We will appreciate your usual corporation, please.

Pick-up Time

Teachers are only allowed to leave the school two and a half hours after the close of school. This is to ensure that children are cared for. Many parents leave their little ones in school for as long as is convenient for them. Some, till as late as **6.00pm**. Such children are left hungry, tired and traumatised. Henceforth, parents must endeavour to pick their wards, latest by **3.30pm** to avoid injury as the children will be unsafe after teachers have left the school.
